STAFF REPORT

DATE: November 23, 2011
TO: Town Council
FROM: Community Development Department
SUBJECT: Vanek Addition
File No. 1294
PAGES: 1

Alphonse Vanek has made application for preliminary and final plat for the subject project. The project is located at 320 Town East and consists of one residential lot on 5.4 acres of land. The property falls within the SF-3 PRO zoning district:

Items to be resolved:

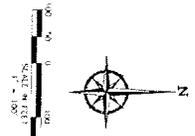

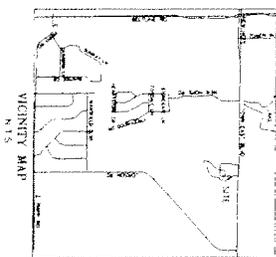

- Submittal of tree survey for trees within the landscape buffer and landscape plan for the landscape buffer.
- Required to install a lighted entrance instead of providing a street light. Should the lighted entrance not be installed, then applicant would need to install a street light within the frontage of the lot.
- Property is within 300 feet of a sanitary sewer line, however, it is not feasible to install a sewer lateral due location of lake and distance to house. Therefore, a variance is requested.
- Verification that the required Town monuments have been set as indicated on the final plat.
- Final plat will be held until all public improvements have been installed (water line & fire hydrant). Certificate of occupancy will not be issued until plat is filed with Dallas County.

There were seven (7) notices mailed and one returned in favor as of November 17, 2011.

Plats were approved by Planning & Zoning Commission on November 21, 2011

Based on staff's review, we are recommending approval of the preliminary and final plats subject to the above stated items being resolved and approval of the engineering plans.

Marc Bentley, P.E.
Town Engineer

RE: **ITEM 2:** Update from Board of Adjustment

DATE: November 23, 2011

The Chairperson for the Board of Adjustment will address the Council Monday night.

AGENDA ITEM SUMMARY

TO: Town Council

FROM: Scott Campbell, Town Manager *SC*

RE: **ITEM 3:** Discussion of Solid Waste Options and Citizen Survey

DATE: November 23, 2011

Please see attached information provided by our current hauler depicting four (4) potential scenarios of service. Monday night we would like to discuss these options and determine which ones to include in a citizen survey.

The first option reflects our current trash services (twice per week trash and brush/bulky item pickup with the rear-load system), plus the hauler providing a drop-off recycling dumpster similar to the one we currently have. The proposed residential rate is \$9.94.

Option A reflects our current trash services (twice per week trash and brush/bulky item pickup with the rear-load system), plus automated, curbside recycling (95 gallon cart) every other week. The proposed rate is \$10.92.

Option B reflects twice per week, automated trash pickup (95 gallons cart) plus automated curbside recycling (95 gallons cart) every other week. Brush and bulky item pickup would be once per week. The proposed rate is \$13.95.

Option C reflects twice per week trash pickup (95 gallons cart), plus curbside recycling with 18 gallon bins every week. Brush and bulky item pickup would be once per week. The proposed rate is \$13.95.

Sunnyvale

11/15/11	Rate includes Current CPI/Disposal Increase / Commercial by same increase of 5.30%	
2X MSW - REL (Brush / Bulk collected with MSW) RECYCLE CONTAINER AT TOWN HALL
