State of the Town

Mayor Saji George presented the State of the Town on Wednesday, Feb. 5 at the Sunnyvale Chamber of Commerce luncheon. The Town’s Annual Report was also presented to attendees. Copies of the report are scheduled to be mailed to all Sunnyvale residents within the next couple of weeks. You may also view the Annual Report on our website by clicking here.

Sunnyvale Fire attends conference

Sunnyvale Arson Investigators/Fire Inspectors Peggy Scott, Roy Hawkins, and Keith Adams represented the Sunnyvale Fire Department at the North Texas Fire Marshal’s Conference, Feb. 4-6. Peggy Scott has served as a member on the Executive Board since 2016.

Over 400 fire investigators, fire inspectors, and fire prevention personnel attended this year’s conference.

Rails to Trails Project

The Rails to Trails project will be considered at the 4B meeting being held on Feb. 11 at 5:30 p.m. This project entails purchasing 4.1 miles of former rail bed to build a future multi-use trail. The cost to purchase the property is $495,000 plus expenses. A public hearing on the project will be held. Residents are encouraged to attend to provide public input.
### Sunnyvale decals available

Show your community pride with a complimentary decal from the Town of Sunnyvale.

Decals are available for pick-up at Town Hall in the Utility Billing Department. You will need to provide your address or water account number (limit two per household).

STAFF ATTENDS TOUR OF WATER TREATMENT PLANT

In preparation for the upcoming temporary disinfectant change in the water, the North Texas Municipal Water District provided a tour of the water treatment plant on Thursday, Feb. 13. The purpose of this tour was to educate staff members about the upcoming change so that they are better equipped to respond to questions or concerns of our citizens. The temporary change will occur from March 2 - March 30. Further information will be provided as the date draws near.

OPENED FOR BUSINESS:

The Nutrition Hub, located next door to Town Hall at Sunnyvale Park Square, opened their doors this morning, Feb. 14. They serve a variety of meal-replacement shakes and energizing teas. We are excited to have them in our community.

TOWN WELCOMES NEW PART-TIME ANIMAL CONTROL OFFICER

Peyton Sellers has joined the Town of Sunnyvale as the part-time Animal Control Officer. Peyton is currently taking classes at Penn Foster to acquire her Veterinarian Technician certification. Peyton brings 16 months of experience that she acquired through her job as a Kennel Technician for the City of Grand Prairie and the Humane Society of North Texas. Welcome to Sunnyvale, Peyton!

SAVE THE DATE!
RENOVATIONS UNDERWAY AT TOWN HALL

If you have visited Town Hall this week, you have probably seen the construction that is going on in the front office. Renovations are taking place to improve the security of the building. Open, unused space has resourcefully been closed in to create another office and once that is complete, the front countertops will be raised and security glass will be installed. The Town was able to fund these renovations through a restricted line item that is not funded by tax dollars. Below are pictures of the progress this week.
TOWN COUNCIL MEETING

WHEN
MONDAY, FEB. 24TH, 7PM

SUNNYVALE
TEXAS
ANNUAL WATER SYSTEM MAINTENANCE TO BEGIN MONDAY

From March 2 - March 30, the North Texas Municipal Water District (NTMWD) will perform their annual water system maintenance.

According to a notice from NTMWD, during the temporary change, NTMWD suspends adding ammonia and uses free chlorine to keep water disinfected as it travels through pipes. “This routine, temporary change in water disinfectant is vital to maintain water quality year-round,” said Zeke Campbell, NTMWD Water System Manager. “This common system maintenance practice does not increase the amount of chlorine, and the water remains safe to drink.”

Throughout the month of March, as the change is taking place, the Town will periodically share information as a reminder to our citizens. If you have any questions or concerns about this change, please do not hesitate to reach out to Town staff members.

Click HERE for more information regarding the annual water system maintenance.
On Feb. 24, the Town Council voted to purchase a four-mile segment of rail corridor from Luminent Energy for a future Rails to Trails project.

The purchase price was $495,000 and will be paid for with 4B funding.

**CENSUS 2020: DID YOU KNOW?**

Did you know that the household participation rate in Sunnyvale in the 2010 Census was over 80%?

Census forms will begin arriving in your mailbox mid-March.

$675 million will be distributed by the Federal government based on Census data. Higher participation rates will affect funding for schools, transportation, health programs and other community needs.

_Sunnyvale could lose $2,132 per year for ten years for every resident not counted._
Two grants have been applied for in the last year to help fund the design and construction of the trail. The trail corridor traverses the eastern portion of the town from the north to the south.

DECALS AVAILABLE

Have you grabbed your free Town of Sunnyvale decal yet? They are available for pick-up at Town Hall. Please provide your address or water account number to the utility billing clerk to receive the decal.

*If you would like a decal but are unable to visit Town Hall during the hours of operation, please email erica.madden@townofsunnyvale.org.
