Temporary Road Closure - Daytime Hours Only

As part of the ongoing work to reconstruct Collins Road, there will be a temporary road closure during daytime hours only on Tripp Road. Starting on or about Wednesday, Jan. 8, Tripp Road will be closed to westbound traffic from Collins Road to Town Center Park. You will not be able to turn right on Tripp from southbound Collins. The daytime closure should not last for longer than one week.

We appreciate your patience as we work through this stage of the Collins Road project. Please share this message with your neighbors!

Severe weather approaching Sunnyvale

The Town is closely monitoring the threat of severe weather that may impact our area this afternoon. The forecast calls for large hail and tornadoes may be possible. NOAA has issued a tornado watch until 9 p.m. tonight. Thunderstorms are expected to develop between 2-4 p.m. This line will pose a high threat of damaging winds with the possibility of a few tornadoes as it moves east through late evening. There will also be a threat for flash flooding.

Please be aware that outdoor emergency sirens may be activated in case of a severe threat. These sirens are primarily meant to be heard if you are outside, not inside. Please do not wait for us to activate the sirens to take shelter. You can stay updated by registering for emergency alerts, at: townofsunnyvale.org/448/Communication

Economic Development Director

Kevin M. Pearson joined the Town of Sunnyvale as the Economic Development Director on Jan. 2. Pearson has more than 30 years experience in Economic Development and came to the town from the Wichita Falls Chamber of Commerce, where he served as the senior vice-president.

Sunnyvale Police Department Progress

The hiring process for Sergeants continues to progress and the field is narrowing. Physical agility tests have been scheduled. Chief Hawkes has met with various vendors for equipment, including car graphics and in-car video, body camera and in-car computer systems. Badges are set to arrive within the next month.

IT Director

The Town of Sunnyvale welcomed Joseph Yazdanpanahi as the IT director on Jan. 6. Yazdanpanahi has more than 15 years of experience in both local and federal levels of government and comes to the town from the City of Jacksonville. The Town previously contracted IT services. With the starting of our own Police Department it was essential to have someone on-site.

Littering: it's against the law

The Town has seen an increased amount of litter on our roadways. Littering is a Class C misdemeanor punishable by a fine of up to $500. If you observe someone littering:

1). Please take down their license plate number, make and color of vehicle, date and time, location, who tossed the litter (driver/passenger), what was tossed and report it to Chief of Police Andrew Hawkes so that appropriate action can be taken.

You can reach Chief Hawkes at Andrew.Hawkes@townofsunnyvale.org

OR

2.) Visit http://www.dontmesswithtexas.org/get-inv.../report-a-litterer/

TxDOT compares the information through the Department of Motor Vehicles registration database, and when an exact match is located, they send the litterer a Don’t Mess with Texas litterbag along with a letter reminding them to keep their trash off Texas roads. (Source: http://www.dontmesswithtexas.org).
Firm selected for phase I of new fire station

On Jan. 27, the Town Council voted unanimously to hire Komatsu Architecture to do preliminary design and site selection for a new fire station for the Town of Sunnyvale.

“Selecting a location for our new station is critical to ensuring good response times in an emergency situation,” said Mayor Saji George. “We look forward to this process in the coming weeks.”

A new fire station was the most highly rated project in the Town's 2019/2020 Capital Improvement Plan recommended by a citizens advisory committee.

Town receives GFOA Award

Each year, the Town's finance department spends several months preparing the budget for the upcoming year. For the second year in a row, the Town has been awarded the Distinguished Budget Preparation Award and the Certificate of Achievement for Excellence in Financial Reporting from the Government Finance Officers Association. Click here to view the Town's 2019-2020 budget.
#FilltheBoot

The Sunnyvale Fire/Rescue Department recently held a donation drive known as "Fill the Boot," benefiting the Muscular Dystrophy Association. Because of the generous donations that were received, SFD was able to donate $1,940.05 to a great cause.

Census workers needed

The U.S. Census Bureau is looking to fill thousands of temporary positions for the upcoming 2020 census. The results of the census help determine how billions of dollars in federal funding flow into states and communities each year.

Census jobs provide:
- Flexible hours
- Weekly pay
- Paid training

Click here to apply online. For more information, call 1-855-JOB-2020 or visit 2020census.gov.

CERT team still seeking volunteers

There is still time to register to become a part of the CERT team. There will be a training held on Feb. 8 and Feb. 15 in Rockwall from 8 a.m. to 6 p.m. and it is required that you attend both days.

For more information, contact Peggy Scott at (972) 203-0314 or click here.
