In Case You Missed It:

Town of Sunnyvale

Independence Day

Remote Fireworks Show

Due to the current public health crisis, SunnyFest will take on a new look this year. Join us from your own front yard for a bigger and brighter firework show! We will miss gathering together, but hope you and your family will enjoy the fireworks remotely. To help get your lawn party started, a limited number of "party-in-a-bag" goody bags will be available at Town Hall between June 29 - July 3. One bag per household is available for the first 250 families.

Friday, July 3 @ 9:15 P.M.

*Town Center Park will be closing at 5 p.m. on July 3.
NO CHANGES IN TRASH PICK-UP FOR HOLIDAY

There are no scheduled interruptions in the residential trash collection services due to the July 4 holiday. Service will run as normal.

SUNNYVALE POLICE HIRES FIRST PATROL OFFICERS

On July 1, Officers Borchers, Hughes, and Fields were sworn in as the very first patrol officers to join the Sunnyvale Police Department.

As of now, the department exists of one Chief, four Sergeants, three patrol officers, and one administrative position. Sunnyvale PD is expected to be fully stood up by Oct. 1 of this year.

TOWN FACILITIES TO BE CLOSED JULY 6

Town facilities will be closed on Monday, July 6 in observance of Independence Day.

Emergencies: 9-1-1

COVID-19 CASE COUNT

As of 11 a.m., July 1, Dallas County Health and Human Services is reporting 544 additional positive cases of 2019 novel coronavirus (COVID-19), bringing the total case count in Dallas County to 21,882, including 380 deaths. The cumulative number of COVID-19 cases in the Town of Sunnyvale is currently 30.

The seven additional deaths being reported today include:

- A woman in her 20’s who was a resident of the City of Dallas. She had been critically ill in an area hospital, and did not have underlying high risk health conditions.
- A woman in her 40’s who was a resident of the City of Dallas. She had been critically ill in an area hospital, and had underlying high risk health conditions.
- A man in his 50’s who was a resident of the City of Dallas. He had been hospitalized, and did not have underlying high risk health conditions.
• A woman in her 60’s who was a resident of the City of Dallas. She was found deceased at home, and had underlying high risk health conditions.
• A man in his 60’s who was a resident of the City of DeSoto. He had been critically ill in an area hospital, and had underlying high risk health conditions.
• A man in his 70’s who was a resident of a long-term care facility in the City of Seagoville. He had been critically ill in an area hospital, and had underlying high risk health conditions.
• A woman in her 80’s who was a resident of the City of Dallas. She had been hospitalized, and had underlying high risk health conditions.

Please continue to utilize a face covering, maintain a six-foot distance at all times, practice good hand hygiene and avoid unnecessary crowds.

DCHHS Launches Emergency Housing Assistance Program

The Emergency Housing Assistance Program, launched by Dallas County Health and Human Services is intended to assist individuals/families who have been financially impacted by the COVID-19 pandemic.

If you are in need of assistance, please click below for more information.
TOWN'S SMALL BUSINESS INCENTIVE PROGRAM STILL AVAILABLE

In May 2020, the Town Council and the Sunnyvale 4B Economic Development Corporation approved initial funding of $50,000 to establish the Sunnyvale COVID-19 Business Incentive Program. This assistance program is designed to provide funding for small businesses to cover economic damages suffered as a direct result from COVID-19 and to result in job retention.

Funds remain available; if you are interested in applying for Sunnyvale’s COVID-19 Business Incentive Program, please contact Interim EDC Director Burton Barr at (972) 203-4154 or visit townofsunnyvale.org/COVID-19-Business-Incentive-Program for the guidelines and an application.

DALLAS COUNTY REPORTS OVER 1,000 ADDITIONAL CASES OF NOVEL CORONAVIRUS

As of 11 a.m., July 3, Dallas County Health and Human Services is reporting 1,085 additional positive cases of 2019 novel coronavirus (COVID-19), bringing the total case count in Dallas County to 23,675, including 393 deaths.

The six additional deaths being reported today include:

- A man in his 60’s who was a resident of the City of Grand Prairie. He had been critically ill in an area hospital, and had underlying high risk health conditions.
- A woman in her 60’s who was a resident of the City of Irving. She had been critically ill in an area hospital, and had underlying high risk health conditions.
- A woman in her 60’s who was a resident of the City of Garland. She had been critically ill in an area hospital, and had underlying high risk health conditions.
- A man in his 70’s who was a resident of the City of Farmers Branch. He expired in an area hospital ED, and had underlying high risk health conditions.
- A man in his 70’s who was a resident of the City of Irving. He had been critically ill in an area hospital, and had underlying high risk health conditions.
- A woman in her 90’s who was a resident of the City of Dallas. She expired in hospice care, and had underlying high risk health conditions.

"Remember that because it is taking up to ten days to get back much of the test results, the situation we are seeing with the rise in positive cases is not what is happening today, but what
was happening a week or more ago…" - Dallas County Judge Clay Jenkins

Please continue to utilize a face covering, maintain a six-foot distance at all times, practice good hand hygiene and avoid unnecessary crowds.

SUNNYVALE
TEXAS
Fire Station location and budget on Monday's agenda

A presentation on the 2020-2021 proposed budget will be provided to the Town Council at the July 13 Council meeting. The presentation will focus on the General Fund, Debt Service, 4B Economic Development Corporation, and the Capital Improvement Plan. No action will be taken on the budget at this meeting. Further information on the budget will be made at meetings on 7/20 (tentative), 7/27, 8/6, 8/24, and 8/27. These meetings will be held at 7 p.m. The second and final reading of the budget ordinance is expected on 8/28 at 9 a.m. To participate in the process, look for the posting on the Town website and log in via Zoom.

A site analysis for the new Fire Station will also be presented at next Monday night's meeting. The site analysis will take a more in-depth look at the two final locations in question - the Glazer site and the Jobson site. To participate in the process, please log in via Zoom. You may also provide input via email to the Town Manager.

If you wish to virtually attend the July 13 Town Council meeting, the link to join the Zoom meeting will be available in the agenda on Friday morning. Agendas can be found here.

July 4 celebration recap

While we wish we could've gathered together on Friday evening for our traditional "SunnyFest," the health and safety of our residents and our employees remains the number one priority. The Town received a great deal of feedback in response to the "party-in-a-bag" goody bags and the remote fireworks show. A lot of time and work was put into the assembly of the goody bags and setting the perimeter for the fireworks and we value your appreciation.

If you have pictures you would like to share from your lawn party, please email them to publicrelations@townofsunnyvale.org.

Phone system upgrade scheduled for Town facilities
All Town facilities will be experiencing a phone system upgrade on Friday, July 10. The upgrade is scheduled to begin at noon and phone lines at all Town facilities may not be functional until 4 p.m. at the earliest.

If you are in need of assistance, please email the department you are trying to reach:

- Utility Billing - ub@townofsunnyvale.org
- Municipal Court - towncourt@townofsunnyvale.org or courtassist@townofsunnyvale.org
- Development Services - permittech@townofsunnyvale.org
- Library - library@townofsunnyvale.org
- Fire Department (non-emergencies) - fire1@townofsunnyvale.org
- Police Department (non-emergencies) - police@townofsunnyvale.org

Emergency lines will not be affected. If you have an emergency, call 9-1-1.

Dallas County reports over 1,000 cases for the sixth straight day

As of 11 a.m., July 8, DCHHS is reporting 1,029 additional positive cases of 2019 novel coronavirus (COVID-19), bringing the total case count in Dallas County to 29,160. The cumulative number of COVID-19 cases in the Town of Sunnyvale is currently 41.

There have been 426 deaths due to COVID-19 in Dallas County. The 16 additional deaths being reported today include:

- A woman in her 20’s who was a resident of the City of Grand Prairie. She had been critically ill in an area hospital and did not have underlying high risk health conditions.
- A man in his 40’s who was a resident of the City of Grand Prairie. He had been critically ill in an area hospital and did not have underlying high risk health conditions.
- A woman in her 40’s who was a resident of the City of Farmers Branch. She had been hospitalized and had underlying high risk health conditions.
- A man in his 50’s who was a resident of the City of Garland. He had been critically ill in an area hospital and had underlying high risk health conditions.
- A woman in her 50’s who was a resident of a long-term care facility in the City of Dallas. She expired in the facility, and had underlying high risk health conditions.
- A woman in her 50’s who was a resident of the City of Grand Prairie. She had been critically ill in an area hospital and had underlying high risk health conditions.
- A man in his 60’s who was a resident of the City of Dallas. He had been hospitalized and had underlying high risk health conditions.
- A woman in her 60’s who was a resident of the City of Coppell. She expired in area hospital ED and did not have underlying high risk health conditions.
- A woman in her 60’s who was a resident of the City of Grand Prairie. She had been critically ill in an area hospital and had underlying high risk health conditions.
- A woman in her 70’s who was a resident of the City of Dallas. She had been hospitalized and had underlying high risk health conditions.
- A woman in her 70’s who was a resident of the City of Grand Prairie. She had been critically ill in an area hospital and had underlying high risk health conditions.
- A man in his 70’s who was a resident of the City of Dallas. He had been critically ill in an area hospital and had underlying high risk health conditions.
- A woman in her 70’s who was a resident of the City of Dallas. She had been hospitalized and had underlying high risk health conditions.
• A man in his 80’s who was a resident of a long-term care facility in the City of Dallas. He expired in the facility and had underlying high risk health conditions.
• A woman in her 80’s who was a resident of a long-term care facility in the City of Mesquite. She had been hospitalized and had underlying high risk health conditions.
• A woman in her 80’s who was a resident of the City of Garland. She had been hospitalized and had underlying high risk health conditions.

“This is an extremely critical time in our battle against COVID-19. We expect to see more cases in the coming days and how high this surge goes is dependent on each of us doing our part.” - Dallas County Judge Clay Jenkins

Regular Town Council Meeting

When
Monday, July 13th, 7pm

Where
127 North Collins Road Sunnyvale, TX

More information
The agenda will be posted on Friday, July 10. Agendas can be found on our [website](#).
Council reviewing a third location for fire station
During Monday night's Council meeting, the Town Council reviewed the two remaining locations in question for the new fire station - Glazer and Jobson Park. After receiving input from citizens, Council asked that a third location adjacent to Town Hall be further assessed. Staff are working with the consultants to reevaluate this location. It is anticipated that this item will be reviewed in August.

Vineyard Park upgrades
The Vineyard Park parking lot is scheduled to be repaved in the next few weeks.

When a final date is set, the Town will send out a reminder via NewsFlash and social media.

Parks Master Plan Survey
A Parks Master Plan update is currently underway. To get feedback for the plan, a community survey will be deployed.

Within the next couple of weeks, residents will receive a postcard directing them to a link to take the Parks Master Plan survey. If you have any questions about the survey, please feel free to contact Interim EDC Director Burton Barr at (972) 203-4172 or burton.barr@townofsunnyvale.org.
July is Smart Irrigation Month

Tune up your irrigation systems to avoid over-watering landscapes during the hottest summer months.

NTMWD, in cooperation with Texas A&M AgriLife Extension, is reminding home and business owners about WaterMyYard.org – a free online irrigation tool to receive a weekly text or email with advice on when and how much to water based on area weather conditions and rainfall. A new free mobile application is also available to download at WaterMyYard.org.

To find more helpful water efficiency tips, visit NTMWD.com/help-us-conserve.

County Health Authority closes in-person learning

Dr. Philip Huang, the Director of Dallas County Health & Human Services and the County’s Health Authority, closed in-person learning and school activities until at least Sept. 8.

“This decision was made after conversation with and input from superintendents of public, private, and charter schools. The physical, educational, mental and emotional well-being of our children are a top priority and Dallas County will work closely with superintendents, educators, principals, and others to ensure that the decisions made are science based and take into account the many important factors involved in educating children.” - Dallas County Judge Clay Jenkins

Click to see Dr. Huang’s full order. For information specific to SISD’s plans, please visit their website.

UTSW, Texas Health launch COVID-19 study

UTSW Medical Center and Texas Health Resources are announcing the launch of an important research study to better understand the spread of COVID-19 infection in Dallas and Tarrant counties: the DFW COVID-19 Prevalence Study. This study will provide vital local data to help our community and areas beyond.

Invitations will be mailed to residents from July through November.

There are two parts to the study: (1) free testing to determine if someone has had COVID-19 or currently has the virus, and (2) a brief survey. There is no cost to participate.

A news release issued by UTSW is available here. If you have questions, please email dfwcovidstudy@utsouthwestern.edu.

COVID-19 update
As of 11 a.m., July 17, DCHHS is reporting 1,195 additional positive cases of 2019 novel coronavirus (COVID-19), bringing the total case count in Dallas County to 39,191, including 514 deaths. The 13 additional deaths being reported today include:

- A man in his 20's who was a resident of the City of Grand Prairie. He had been critically ill in an area hospital and had underlying high risk health conditions.
- A woman in her 20's who was a resident of the City of Grand Prairie. She had been critically ill in an area hospital and had underlying high risk health conditions.
- A man in his 60's who was a resident of the City of Dallas. He had been critically ill in an area hospital and had underlying high risk health conditions.
- A woman in her 60's who was a resident of the City of Lancaster. She had been critically ill in an area hospital and had underlying high risk health conditions.
- A man in his 60's who was a resident of the City of Garland. He had been critically ill in an area hospital and had underlying high risk health conditions.
- A man in his 70's who was a resident of the City of Dallas. He expired in an area hospital ED, and had underlying high risk health conditions.
- A man in his 70's who was a resident of the City of Rowlett. He had been critically ill in an area hospital and had underlying high risk health conditions.
- A woman in her 70's who was a resident of the City of Irving. She had been critically ill in an area hospital and had underlying high risk health conditions.
- A woman in her 70's who was a resident of the City of Rowlett. She had been critically ill in an area hospital and did not have underlying high risk health conditions.
- A man in his 80's who was a resident of the City of Rowlett. He had been critically ill in an area hospital and had underlying high risk health conditions.
- A woman in her 80's who was a resident of the City of Garland. She had been critically ill in an area hospital and did not have underlying high risk health conditions.
- A man in his 90's who was a resident of a long-term care facility in the City of Dallas. He had been critically ill in an area hospital and had underlying high risk health conditions.
- A man in his 90's who was a resident of the City of Dallas. He had been hospitalized and had underlying high risk health conditions.

Regular Town Council Meeting

When
Monday, July 27th, 7pm

Where
127 North Collins Road Sunnyvale, TX

More information
The agenda will be posted on Friday, July 24. Agendas can be found on our website. Our meetings remain remote due to COVID-19. Please plan to participate via Zoom.
Dallas County beginning to see downward trend in COVID cases; masks are working!

As of 11 a.m., July 24, DCHHS is reporting 659 additional confirmed cases of 2019 novel coronavirus (COVID-19), bringing the total confirmed case count in Dallas County to 44,746. The cumulative number of COVID-19 cases in the Town of Sunnyvale is currently at 75.

There have been 586 deaths due to COVID-19 in Dallas County. The nine additional deaths being reported today include:

- A 5 year-old boy who was a resident of the City of Dallas. He had been critically ill in an area hospital and had underlying high risk health conditions.
- A man in his 40's who was a resident of the City of Grand Prairie. He had been critically ill in an area hospital and had underlying high risk health conditions.
- A man in his 50's who was a resident of the City of Irving. He had been critically ill in an area hospital and had underlying high risk health conditions.
- A man in his 50's who was a resident of the City of Dallas. He was found deceased at home and had underlying high risk health conditions.
- A woman in her 60's who was a resident of the City of Dallas. She had been critically ill in an area hospital and had underlying high risk health conditions.
- A woman in her 70's who was a resident of the City of Dallas. She had been critically ill in an area hospital and had underlying high risk health conditions.
- A man in his 70's who was a resident of the City of Dallas. He had been hospitalized and did not have underlying high risk health conditions.
- A woman in her 80's who was a resident of a long-term care facility in the City of Dallas. She expired in the facility and did not have underlying high risk health conditions.
- A man in his 80's who was a resident of the City of Dallas. He had been critically ill in an area hospital, and did not have underlying high risk health conditions.

"I believe we are beginning to see a positive trend due to the masking order that Dallas County implemented a month ago that was later followed by Governor Abbott and made statewide. The fact that our numbers are down though does not mean that we can afford to relax what we’ve been doing. One hundred percent mask wearing around other people outside your home is critical to our success going forward." - Dallas County Judge Clay Jenkins
Construction crews continue to make progress on Collins Road from US 80 to Tripp Road. Currently, water and storm-water infrastructure work continues to take place near the north end of the project. Grading work continues for the new northbound lanes.

Towards the south end of the project, progress is being made on a new box culvert, just south of Town Hall.

Please continue to exercise caution while traveling through this area.

DCHHS announces reopening of Emergency Housing Assistance Program for Dallas County residents

The Emergency Housing Assistance Program (EHAP) provides short-term, rental, mortgage and utility assistance to Dallas County residents living outside the City of Dallas facing economic hardship in the wake of COVID-19. Assistance for EHAP is eligibility based and will be processed through a lottery system.

DCHHS will begin accepting pre-screening applications online beginning Friday, July 24 at 10 a.m. and close the pre-screening application process on Thursday, Aug. 20, at 4 p.m. The pre-screening application form is available in English and Spanish. Individuals who do not have access to the internet or are unable to access the pre-screening application online may call 214-819-1968. Pre-screening applications accepted by phone will be conducted Monday - Thursday from 9 a.m. to 4 p.m. Please note that the submission of a pre-screening application does not guarantee eligibility or an offer of assistance. Only completed applications meeting eligibility requirements, and supported by required documentation, will be considered for assistance based on the availability of funds. Applicants must be 18 years of age or older to apply.

“Given that we are encouraging families to stay home as much as possible right now, keeping people in their homes is especially critical,” said DCHHS Director, Dr. Philip Huang. “As we continue to fight this virus, EHAP will help thousands of Dallas County families in need.”

CENSUS 2020: WHY YOUR RESPONSE MATTERS

An accurate count of the population serves as the basis for fair political representation and plays a vital role in many areas of public life.

Have you responded to the US Census Bureau for the 2020 Census? The response rate for the Town of Sunnyvale is currently at 79.4%. If you have not responded, it is highly encouraged that you do so!

Here’s a few reasons why your response is important for the future of Sunnyvale:

- **Redistricting** - The results of the Census are used to adjust or redraw electoral districts, based on where populations have increased or decreased.

- **Federal Funding** - The results of the 2020 Census will inform decisions about allocating hundreds of billions of dollars in federal funding to communities across the country—for hospitals, fire departments, school lunch programs, and other critical programs and services.

- **Business Decisions** - The 2020 Census will be valuable to businesses, as the results will provide a rich set of data on the communities they serve, including population trends and growth projections. Business owners rely on census results to make decisions, such as where to open new stores, restaurants, factories, or offices, where to expand operations, where to recruit employees, and which products and services to offer.

Click the button at the bottom of this newsletter to submit your response today!

*Source: US Census Bureau*

PARKS MASTER PLAN SURVEY NOW AVAILABLE

The Town of Sunnyvale is currently updating the Parks, Recreation, and Open Space Master Plan. The 2020 Parks Master Plan survey is now available. The survey can be accessed at
townofsunnyvale.org/parksmasterplansurvey. Your input will help guide the park and recreation planning efforts for the next five to ten years.

A postcard with additional information will be arriving in Sunnyvale residents’ mailboxes within the next week. The survey will remain available until Sept. 7, 2020.

If you have questions regarding the Parks Master Plan, please contact Parks Director Burton Barr by phone or email.

- Phone: (972) 203-4172
- Email: burton.barr@townofsunnyvale.org

**COVID-19 CASE COUNT**

As of 11 a.m., July 31, DCHHS is reporting 707 additional confirmed cases of 2019 novel coronavirus (COVID-19), bringing the total confirmed case count in Dallas County to 49,976, including 671 confirmed deaths. Seven additional deaths were reported today including:

- A woman in her 40’s who was a resident of the City of Dallas. She had been critically ill in an area hospital and had underlying high risk health conditions.
- A woman in her 60’s who was a resident of the City of Garland. She had been critically ill in an area hospital and had underlying high risk health conditions.
- A man in his 60’s who was a resident of a long-term care facility in the City of Dallas. He had been critically ill in an area hospital and had underlying high risk health conditions.
- A man in his 60’s who was a resident of a long-term care facility in the City of Dallas. He expired in the facility and did not have underlying high risk health conditions.
- A woman in her 60’s who was a resident of the City of Lancaster. She expired in an area hospital emergency department and had underlying high risk health conditions.
- A man in his 60’s who was a resident of the City of Grand Prairie. He had been critically ill in an area hospital and had underlying high risk health conditions.
- A man in his 70’s who was a resident of the City of Dallas. He had been critically ill in an area hospital and had underlying high risk health conditions.

While the numbers this week are shaping up to be lower than they were at our high point reached earlier this month, they are still over four times higher than the average when the Governor’s Open Texas plan started. It’s imperative that everyone continue to use masks when around other people outside their home. Take your mask with you even if you don’t think you’ll be around other people and put it on if you come into contact with others. Please continue to avoid unnecessary trips for anything but work, essentials or outdoor exercise. Particularly avoid places where people cannot wear a mask one hundred percent of the time. The mask is not a substitute for a minimum of six foot distancing, so please keep your distance and
Please remember to use good hand hygiene and wash frequently.” - Dallas County Judge Clay Jenkins
