

# Paperless Billing

E-Billing is a secure and paperless way to receive your invoice. With e-Billing, you will be notified via email from [NoReply@townofsunnyvale.org](mailto:NoReply@townofsunnyvale.org) when your invoice is ready to view and pay. Pay your bill online using credit card, or arrange automatic payment by logging into your account at [www.municipalonlinepayments.com/sunnyvaletx](http://www.municipalonlinepayments.com/sunnyvaletx)

*\*If you choose to set up automatic payments, the Town recommends setting a draft date between the 10th & 20th every month to avoid possible late charges\**
