

Paperless Billing

E-Billing is a secure and paperless way to receive your invoice. With e-Billing, you will be notified via email from NoReply@townofsunnyvale.org when your invoice is ready to view and pay. Pay your bill online using credit card, or arrange automatic payment by logging into your account at www.municipalonlinepayments.com/sunnyvaletx

If you choose to set up automatic payments, the Town recommends setting a draft date between the 10th & 20th every month to avoid possible late charges

To enroll in e-Billing, please provide the information below:
