

Bulk/Brush Waste

Republic Services® will collect bulk and brush on your Tuesday/Friday collection day. There is a 3-cubic yard limit per collection. Measurements for 3 cubic yards are equivalent to 3' x 6' x 5.5'. You may also contact Republic Services to have a supervisor conduct a site survey to provide a quote and arrange a special collection and removal for items outside the scope of the agreement.

Furniture

When you're getting rid of old items like sofas and chairs, simply leave them assembled.

Large Appliances

Remove doors from appliances like refrigerators (Freon® must be removed prior to pick up) and washing machines.

Mattresses

When disposing of mattresses, it's helpful to wrap the mattress in plastic for safe and efficient disposal.

Home Construction Debris

Non-compactable waste building materials resulting from construction, home remodeling, etc. are collected. Contact us to determine the acceptable types of construction debris.

Brush Waste

Bundle tree, shrub and brush trimmings. Securely tie in bundles, forming an easily handled package not exceeding 4 feet in length or 50 pounds.
